## **AFRICAN PASTORS CONFERENCES**

([www.africanpastorsconference.com](http://www.africanpastorsconference.com) )

APC seeks to provide training for Pastors from all denominations and independent churches. The only criterion for attendance is to accept that the Bible is the authoritative rule for church government and that its inerrancy as the word of God is the basis for all true Christian preaching.

## **BOOKS**

All books at the Limpopo APC are to be sold to Pastors at heavily

discounted prices and some books will be given free. This applies only to Pastors who are official delegates at the Conference and are for personal use only: they may not be resold. We thank God for the generosity of publishers, churches and individual Christians who enable the conferences to take place at minimal cost to Pastors.

Directors     *Pastors Erroll Hulse (UK), Conrad Mbewe (Zambia), Irving Steggles (RSA)*
